**FOR IMMEDIATE RELEASE**

## **Boil Water Notice Issued**

**(August 27, 2015) – LaBelle, Fla.** – A boil water notice has been issued for Port LaBelle area in Hendry County. All Port LaBelle water users are advised to bring drinking water to a rolling boil for at least one minute prior to consumption. The notice is necessary due to a malfunction which caused loss of pressure. This notice is effective immediately and will be in effect until further notice or a different notice is issued lifting the boil water action. For further information please call 863-675-5376.
